

Important Go Alpine Shuttle Information

Your shared ride shuttle reservation is with GO ALPINE, as noted on your enclosed confirmation. GO ALPINE's Terms and Conditions for this Shuttle Reservation are given below:

PICKUP LOCATION: STEAMBOAT/HAYDEN AIRPORT (HDN)
Look for the Go Alpine Desk inside the Airport Terminal. After you check-in with Go Alpine, they will direct you to a vehicle which will take you to your ResortQuest Steamboat lodging.

PICKUP LOCATION: DENVER'S INTERNATIONAL AIRPORT (DEN)
Proceed to the Baggage Claim Level (Level 5) of the Airport to retrieve your luggage. Then please proceed to the East Side (Blue Side), Door #511 on Level 5 and cross the road to Island No. 2 (Mountain Carrier Island) where a vehicle will be waiting at the assigned times.

RETURN TRIP:

As soon as you are comfortably settled in your lodging, please call 879-2800 to reconfirm your pick-up location and departure time for your return trip. If you are booked on a shared ride, you will be picked up as early as 3 hours prior to your outbound flight, due to a mandate by the airlines that serve the Yampa Valley Regional Airport which requires all shared ride shuttles to be at the airport 2 hours prior to flights. This is due in part, to increased national security measures as well as limited facilities and staffing at the Yampa Valley Regional Airport.

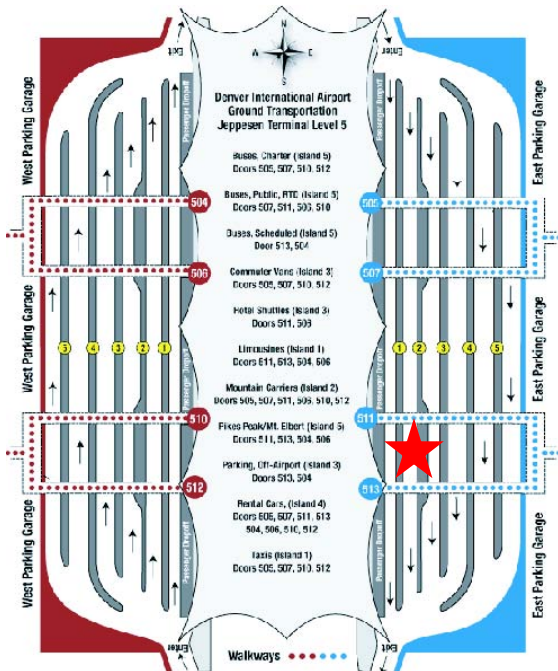

CANCELLATION POLICY:

Your shuttle reservation is non-refundable if cancelled less than 24 hours prior to your reservation. If it is cancelled more than 24 hours prior, you will be refunded at your request. No refunds will be issued for travel plan changes due to weather, road, or traffic conditions, airline scheduling, etc. Nothing in the sale of this ticket guarantees connections with other travel arrangements (i.e. Air, Bus, or train)

LUGGAGE DISCLAIMER:

Go Alpine shall not be held liable for more than \$250 per piece of luggage, or its contents due to loss or damage.
